Professional Experience

I Married a Monster on a Hill | UI/UX Designer

July 2024 - Present

I Married a Monster on a Hill is a video game looking to be developed. Currently, I'm in charge with conducting research and will be involved with the overall design experience of the game as the project continues.

All Ages of Geek | UX Researcher

Jan 2022 - Present

I provide the client with recommendation and actionable steps to consider to make their website more comprehensive and understandable.

Photography by Tatian Stec | UI/UX Designer

Nov 2023 - Present

I worked with Tatiana Szewczuk to help create a website for her photography work. The project involved with providing design solutions to solve user and business challenges through User Research, Information Architecture, Interaction Design, Visual Design and Prototyping.

kick back space | Product Designer

June 2024 - August 2024

kick back space is an online video platform looking to improve the virtual instructor led training space. I am working on a project to help improve the experience of online learning from both a facilitator and participant standpoint.

myConXus | UI/UX Designer

May 2024 - December 2024

myConXus is a social media alternative platform looking to improve the overall usability. I currently provide the client with design systems, user interface designs and analysis of their current platform.

NHN Global | Business Development Associate

Nov 2022 - Aug 2023

I communicated with buyers to understand their pain points and needs with dropshipping. From these conversations, I helped improve monthly sales by over 30%.

Doe & Rae | Sales Representative

May 2021 - Oct 2022

As a sales representative, I not only increased personal sales by over 1000% but also was in charge of the company's Instagram page.
